for either AFG or SAFER, each new project costs \$2,600 OR modify and resubmit costs \$500 each.

If we do more than 1 in the same year I can offer some type of discount for the SAFER, I don't know what that will be until applications open, so just budget the full amount and we can come in lower for the second.

Good afternoon Mike.
Can you give me a quote on writing the two grants? AFG and SAFER?
That way I can present it to the district

I can't do that portion of the job because I don't have any legal connection to the dept, it has to be started and submitted by an authorized dept. rep.

Good afternoon Mike

We are applying for the afg grant to try to get two way radios.

Vicky is out in medical leave so I asked my Chief to see if they can grant you full rights to create and submit the grant. I am waiting for his reply as he is waiting for the commissioners reply.

My LT is gathering prices for the radios.

I have carbon copied him on this email.

Respectfully,
