2014-000614-00	11/21/2014	14:21	825 NARRGANSETTE		Fire in mobile home used	30
S24, E25, T24 & BC24 were dispatched to 852 Narragansett Lane for a reported structure fire. S24, T24 & BC 24 responded from station 24. E25 responded from station 25. While enroute BC24 confirmed with dispatched that this was a confirmed structure fire, dispatch stated it was. BC24 requested TA20, E21, E22, S22, E26, R26, R23, R123, & R26 to respond for mutual aid. Upon S24 arrival LT24 reported a double wide trailer fully involved and flames visible through the roof. LT24 established Narragansett command. LT24 had E25 crew extend both cross lays to the Bravo/Charlie side of the property to start a defensive attack. LT24 had S24 crew extend all three cross lays to the Alpha/Delta side of the property to start a defensive attack. LT24 turned over command to BC24 & Chief 24 upon his arrival. BC24 called for COOP to respond to the scene to disconnect the power. BC24 instructed LT24 to assist E25 crew with the deploying of a turbo draft. LT24 with help from E25 and R23 crew were able to get the turbo draft established and running for a secure water source. BC24 instructed E21, E22, S22 and Chief 22 to assist in fire knock down. Chief 22 was in charge of the accountability board and assist BC24 with tasks. All crews successfully knocked the fire down to the decaying stage and then BC24 instructed S24 attack crew to back out and set up a blitz monitor at the Charlie/Delta side of the property and also E25 attack crew to back out and set up another blitz monitor on the Bravo/Charlie side of the property to drown out the remaining fire. All crews rotated personnel on the blitz monitors and into rehab for EMS check out. All crews assisted in overhaul and were able to get all hot spots secured. BC24 released E21, E22, S22, Chief 22, & TA20 from the scene after cleanup was completed. BC24 transferred command to Chief 24. S24 & E25 remained on scene until COOP could come back out reference power still on at the property. Once COOP came out LT24 met with COOP and told them the issue with the power still being turned on and that BC24 thought the property owner was getting power from somewhere else because the AC unit was still turning on after COOP originally cut off the power to the structure. S24 & E25 left the scene and remained out of service to head back to station 24 and put the trucks back in service.
