PROPOSAL
JULY 17, 2014

FOR:

KEY LARGO VOLUNTEER AMBULANCE BUILDING
98600 OVERSEAS HIGHWAY
KEY LARGO, FL 33037

SENT TO:

SAME AS ABOVE

FOR THE INSTALLATION OF:

- 1 NEW 200AMP MANUAL ALUMINUM TRANSFER SWITCH MOUNTED ON EXISTING METER POLE LOCATION AT NORTHWEST CORNER OF PROPERTY
- 1 NEW 20KW/120/240/SINGLE PHASE KOHLER GENERATOR MOUNTED ON EXISTING PORCH AT SOUTHBOUND SIDE OF OVERSEAS HIGHWAY
- 1 NEW 100AMP/240VOLT FEED FROM NEW TRANSFER SWITCH ON EXISTING METER POLE UNDERGROUND TO BUILDING – CONTINUING UP SIDE OF BUILDING TO GENERATOR
- 1 NEW 6'X6'X10' CONCRETE SLAB FOR 100 GALLON UPRIGHT PROPANE TANKS LOCATED NEXT TO BUILDING AT APPROXIMATELY THE MIDDLE NORTHSIDE OF THE BUILDING
- 2 NEW 100 GALLON UPRIGHT PROPANE TANKS MOUNTED ON NEW 6'X6'X10' CONCRETE SLAB (NOTE: Tanks to be customer owned)

PROPOSAL FOR KEY LARGO AMBULANCE GENERATOR PROJECT

PAGE 2

- 1 NEW 20KW/120/240/SINGLE PHASE KOHLER GENERATOR MOUNTED ON EXISTING STRUCTURE NORTHBOUND SIDE OF OVERSEAS HIGHWAY UNDER BUILDING REPLACING EXISTING GENERATOR IN SAME LOCATION – USING EXISTING TRANSFER SWITCH AND EXISTING ELECTRICAL WIRING

ELECTRICAL NOTES:

1. AllKeys Gas Service will be installing the propane tank(s), pipe work and hooking up the generators.
2. Concrete slab for the propane tanks to be large enough for future expansion of two (2) additional 100 gallon tanks.
3. All work to be complete to NEC and Monroe County Codes and specifications.
4. All electrical work is included in this proposal for generator electrical hook up.
5. An allowance in the amount of \$1,200.00 has been included for permit fees – this will be removed if Key Largo Ambulance is exempt from permit fees. An allowance in the amount of \$1,000.00 has been included for generator exhaust pipe work.
6. All allowances are an educated estimate; not an exact cost.

PROPOSAL TOTAL: \$26,320.00

ADDITIONAL OPTIONS OFFERED ON PAGE 3

PROPOSAL FOR KEY LARGO AMBULANCE GENERATOR PROJECT

PAGE 3

Additional Options:

Option "A"

- * AllKeys Gas proposal to replace existing 500 gallon above ground propane tank with new tank/foundation and crash post as per Code.

\$2,850.00 IN ADDITION to proposal base cost of \$26,320.00

Option "B"

- * If generator cannot be mounted on porch because of generator exhaust, then generator to be mounted on side of building approximately 4' from grade on an aluminum bracket.

\$2,100.00 (estimated) IN ADDITION to proposal base cost of \$26,320.00

Thank you for the opportunity to grow in our relationship with you.
We appreciate the opportunity to offer this proposal.
